YOU ARE ALL REGIS CHAMPIONS!

WELL DONE FOR A WONDERFUL TERM OF LEARNING.

HAPPY HALF TERM EVERYONE!

Corsham Regis Primary Champion

Celebrating - Leadership, Organisation, Resilience, Initiative and Communication.

In Crystal Class I have chosen...

Vicky

As a leader, Vicky conducts herself by gently supporting rather than being imposing. She leads others without judgement but with a firm knowledge. Vicky is such an organised young lady. She is always ready to learn and NEVER wastes a learning opportunity.

I'm so proud of how resilient and engaged Vicky has been through-out this whole term in lockdown...

In Maths, Vicky always works hard and revels in the challenges. Many times over this term she has shown her initiative, determination and displayed her real enjoyment of maths.

Vicky is a kind, thoughtful, resourceful, resilient, witty and genuine member of the class and we really love her being part of the Crystal team.

Congratulations and Thank you!

Signed: Mrs Doe Date: February 2021

Corsham Regis Champion

Opal Class are celebrating **Ellison** as their Champion this term.

Ellison has been an excellent role model in our Bubble, demonstrating amazing listening skills and huge resilience in everything he has been asked to do. His listening skills help him to organise himself and mean that he can be very independent about getting on with his work. He likes to help others and is able to use his initiative in finding useful ways to do this. Other children are always reassured by his thoughtful and quiet approach and this makes him a super addition to a team. Finally, Ellison is a wonderful learning partner because he can share his good ideas but is also very happy to learn from others

Amethyst's Champion this term is:

Bethany!

Bethany is very organised and follows instructions to accurately complete an activity. She doesn't give up, even when she finds something hard [and the maths has been really tricky this term!]

She has taken responsibility for her own learning and joins in with shared activities.

Bethany has been submitting her work on seesaw and communicating with us independently everyday!

We are very proud of you Bethany – you are an excellent role model.

Signed: Mrs. Randall and Mrs. Harris [11.02.21]

Corsham Regis Primary Champion

Celebrating Leadership, Organisation, Resilience, Initiative and Communication

In Onyx class we have chosen **Lincoln** because he has shown us these skills.

Lincoln has astounded us with the wonderful work he has been producing in Lockdown. The quality and presentation have been amazing and he has worked so hard. It is difficult to keep motivated while studying at home but not only has Lincoln risen to the challenge, he has exceeded our expectations. The resilience he has shown in these difficult times makes him a true Regis Champion. He organizes himself well every day and shows us the huge range of learning he has undertaken. We have been particularly impressed with his writing, which has shown great progress in terms of his handwriting and the amount he has written. The lovely art and craft work he has done, with his drawings of the Ancient Egyptian Gods and Jewellery designs, have also been particularly noteworthy. Well done Lincoln, a very well deserved Champion of the term.

Signed Mrs Bagnall and Mrs Weheard Date: February 2021

Corsham Regis Primary Champion

Celebrating - Leadership, Organisation, Resilience, Initiative and Communication.

In Garnet class I have chosen **Grace**.

In class, Grace sets a good example and supports and encourages other children with kindness and patience.

She has worked really hard to improve her presentation and thinks about how to do better.

Grace always keeps trying and will explain how she can improve her learning and how she will achieve this.

Grace works hard to find solutions to problems and will think about the best ways to solve them.

Grace is a kind, thoughtful and lovely member of the class and her fantastic attitude really inspires others.

Well done Grace!

Signed Mrs. Duffield Date: February 2021

Corsham Regis Champion

Jade Class are celebrating **Jayden W**,

Jayden has mastered home learning this term and has completed every learning challenge set.

He is enthusiastic about all his learning and finishes every learning task to the best of his ability and even chosen to do extra tasks.

I look forward to looking at Jayden's work everyday to see the effort he has put in and the new skills he has learnt.

Dates for your diary... Return to school for the children of key workers and those who are vulnerable / World Book Day 4th March/ Week beginning Monday 8th March is Science Week!
