**HURRAY!**

**We will all be returning to Corsham Regis on the 8<sup>th</sup> March!**

We are busy preparing for the safe return of all pupils to school. Staff have been and will continue to test themselves for Covid-19 twice a week, just one of the ways that we can help to keep everyone safe and well.

The wonderful work at Regis continues and there is so much to look forward to... the 4<sup>th</sup> March is **World Book Day** and we are not going to let the lockdown dampen our spirits! Dress up, if you can, and join in with all the fantastic activities that are planned for the day including a costume parade via Zoom.

The week of the 8<sup>th</sup> March is going to be **Science Week**, along with your English and Maths lessons this week you will be joining in with some exciting Science work too!

The weather is improving and together we will come through this stronger.

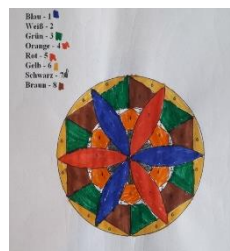

Thank you for all your support, take care, stay safe and have a lovely weekend

Mrs Abby Symons
