Friday 12<sup>th</sup> March 2021

Dear Parents and carers,

This week all the children have returned to school and have demonstrated the LORIC skills brilliantly in their return. They have been resilient in embracing the changes and despite the nerves have returned to school calmly and focused, ready to learn. There has been lots of communication as the Regis community re-connect face-to-face and so much organisation; getting uniforms ready, packing bags and preparing lunches. It has been a busy week but it has all been worth it to have the children back in school, where they belong.

Science week this week has been incredibly successful- huge thanks to Mrs Tremellen, our Science leader for her enthusiasm, ideas and organisation. All classes this week have planted seeds and set up experiments to track their growth. They will be planted out into our school garden once they are big enough and strong enough to withstand the elements. The week's excitement concluded with a whole school assembly where the winners of our Science poster competition were announced and some fantastic prizes given out. Congratulations to all the children who received a prize!

Please arrive for the start of the school day at 8.45am and pick up at 3.10pm. If you know that you are going to be late for some reason, please let the office know. Thank you.

## Red Nose Day

Friday 19<sup>th</sup> March

Come dressed in red and donate £1

## School Photos

Thursday 18<sup>th</sup> March

If it is your child's PE day please can they wear school uniform on their top h
