

# Personification Activity

Use a picture and choose a verb to create your own sentence using personification to describe the object. Use the best verb to create the image that you want to put in the reader's mind.

For example:

The summer sun hugged the meadow.

	sang		watched		
hugged			screached		
	yelled				
	smiled				swallowed

## Challenge:

Can you use more than one verb to personify the objects in each sentence to create the image you want for the reader?

Use the same pictures or choose your own objects to describe.

For example:

The tiny boat danced wildly in the waves as the sails pleaded for calm.
