

School Closure Daily Planning- Opal Class

DATE	Reading	Writing	Mathematics	Other
<p>Wednesday 03.03.21</p>	<p>The reading activity is for everyone today, as I would like to reinforce the use of the present tense to support our work on writing explanations. Year 2 children should be able to complete the task largely independently, but some of the Year 1 children will need some support with the reading of the passage. They should be able to predict a lot of the missing words though.</p>	<p style="text-align: center;"></p> <p>Today, you will be writing the details about some animals that live in cold place, in your explanation.</p> <p style="text-align: center;"><u>Can creatures live in cold places?</u></p> <p>The two coldest places on Earth are the Arctic and Antarctica. Lots of animals live here but they have special features.</p> <p><u>Beluga whales</u></p> <p>These white whales have lots of blubber to keep them warm and specially adapted heads to break the ice when they come up for air.</p> <p><u>The Arctic Hare</u></p> <p>This creature is white, so that it can be camouflaged against the snow. It can also dig deep holes to shelter from the cold winds.</p>	<p>Watch the video in this link and then complete the sheets below:</p> <p>https://www.youtube.com/watch?v=S_Jvi97snfQ</p> <p style="text-align: center;"><u>Y.1</u></p>  <p style="text-align: center;"><u>Y.2</u></p> 	<p style="text-align: center;"><u>Geography</u></p> <p>Use the word bank to fill in the missing labels on the map below.</p>  <p>Really look at the map and think about where the hot climate zones of the World are. Are they closest to the poles or are they closest to the Equator? Can you use an atlas, or the internet, to find the names of some countries located in hot climate zones? Label the map you used yesterday</p>

	<p>Use the words in the word bank to finish the story.</p> <table border="1" data-bbox="533 263 683 284"> <tr> <td>listen</td> <td>try</td> <td>please</td> <td>share</td> </tr> <tr> <td>and</td> <td>but</td> <td>the</td> <td>and</td> </tr> <tr> <td>and</td> <td>when</td> <td>the</td> <td>and</td> </tr> </table> <p>It is so fun when it rains! I want to go _____ and play in the park. _____ Dad? "Can't go today!"</p> <p>"_____, says Dad. "Yes, _____ get wet. When the sun is _____ give them your rain play outside."</p> <p>I _____ wait until the rain stops. I play with my toys and read a book about a _____ bear. I _____ my watch. I hope the rain will stop _____ or it will be too hot!"</p> <p>"Look", says Dad. "_____ is no more rain! _____ you ready to go outside and play?"</p> <p>"Happy!" I _____ "I love to play outside!"</p>	listen	try	please	share	and	but	the	and	and	when	the	and			<p>and on Monday, with the names of these countries.</p>
listen	try	please	share													
and	but	the	and

Useful websites for other home learning ideas and activities.

Here are a few suggestions of websites you may like to browse, for ideas of other home learning activities you could carry out with your children, during this lockdown period. I am sure there are many others available too. As I discover new ones to recommend, I will add to the list.

<https://www.bbc.co.uk/bitesize/levels/z3g4d2p>

Learning videos, games and activities for children from aged 3-16+

<https://home.oxfordowl.co.uk/reading/free-ebooks/>

Free ebook library - just sign up!

<https://whiterosemaths.com/homelearning/>

White Rose home learning resources. Ideal for reinforcing many of the concepts covered last term.

<https://www.barefootcomputing.org/homelearning>

Lots of activities you can carry out at home with your child, to help them develop skills linked to the ICT curriculum, which don't actually require screen time. Also, a couple of very good interactive screen time activities provided.

<https://www.stem.org.uk/home-learning/primary>

Lots of amazing ideas for more science and technology activities.

<http://www.robbiddulph.com/draw-with-rob>

For those of you who like drawing, some short video lessons, by the illustrator, Rob Biddulph.

<https://www.natgeokids.com/uk/teacher-category/primary-resources/>

A variety of resources for most curriculum areas.
