

School Closure Daily Planning- Jade Class

DATE	Reading	Writing	Mathematics	Topic
Wednesday 03.03.21	<p>YR1-Read a book of your choice and discuss what happens on each page with an adult.</p> <p>FS2- Practise your sounds in you RWI book (little green book). Can you put some sounds together and read the words?</p> <p>Watch Mrs Stone’s story of Katie Morag and the Two Grandmothers.  On Seesaw</p> <p>Then have a go at answering the questions about the story- see attachment.</p> <p> Phonics:</p>	<p>Have a closer look at the map of Struay- see attachment.</p> <p>YR1- Think about all the information you have learnt so far and describe the Isle of Struay. Also think back to Monday’s work on adjectives, can you add any when describing the island?</p> <p>FS2- After looking at the map, write a list of all the things you could do if you visited Struay. Remember to say the word and listen very carefully to the sounds you hear before writing them down.</p>	<p>YR1- Counting in 2’s Watch https://vimeo.com/505658511 Then WR activity</p> <p>FS2- Addition to 10- Carefully count out 10 objects, then grab a handful of objects from your 10. Count out how many objects you have in your hand and write the number down. Then count down the amount of objects that you didn’t manage to grab. The two numbers you have written down should add up to 10. Check they do. See if you can repeat this and find as</p>	<p>Today we are going to look at the Continents of the world.</p> <p>Using the internet safely, Google and investigate what a continent is. Is there more than one and do they have special names?</p> <p>Yr1- write down as much as you can find out about continents.</p> <p>Then fill in the worksheet-see attachment.</p> <p>FS2- after investigating the continents, look at the worksheet- see attachment and have a go at naming each one, with the help of an adult. Then see if you can make it into a jigsaw by</p>

	<p>YR1- See Zoom video-recap set 2-set 3 aw on Seesaw</p> <p>FS2- See Zoom video-recap set 1-2 on Seesaw</p>		<p>many different pairs of numbers as you can.</p>	<p>cutting the worksheet into pieces and then see if you can put it back together.</p> <p>You can be as creative as you like with your cutting.</p>
