TEAM REGIS GO THE DISTANCE!

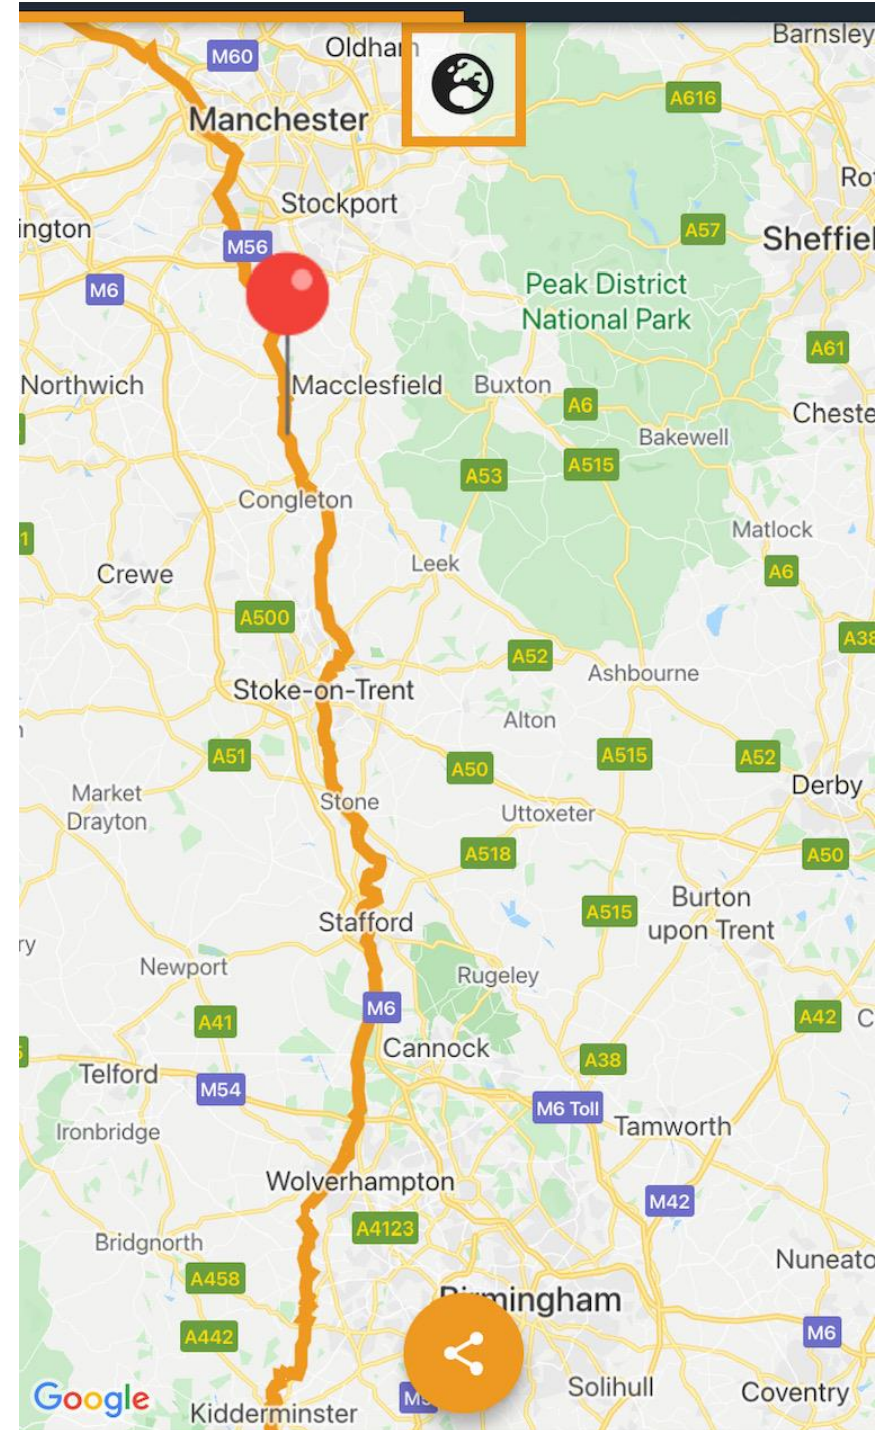

Challenge Progress

Since our last update, Team Regis have left Kidderminster and headed north – next stop **Wolverhampton**, where you could visit Wightwick Manor or the RAF Museum. Then further north to **Stafford** with its ancient castle and on to **Stoke-on-Trent**. Stoke is famous for pottery – look out for the bottle shaped kilns.

Team Regis are now in a town called **Congleton** in Cheshire. There are some very old, wobbly looking wooden buildings from the Tudor times, like this one – Little Moreton Hall. Can you help us reach **Manchester** by the end of term?

Thank you to all our brilliant Regis runners!
