

Friday 11th June

This week the children across the school have all started on their **Science Topics** and there are many wonderful displays popping up all over the school to show the children's learning.

We have had **Chance to Shine Cricket** in school again this week, where the children developed their cricket skills and enjoyed the specialist teaching outside in the sunshine.

I have shared with you today the detailed outcomes from our **Local Authority Evaluation Day** below are a few quotes from the report:

"Children are well cared for and nurtured and their behaviour is a credit to the school"

"Good progress has been and is being made"

"Robust processes are in place to identify SEND needs, improve attendance, assess understanding, identify gaps in learning and communicate with stakeholder"

Next week, on Tuesday and Thursday you are invited to join us to discuss your child's learning- we very much look forward to seeing you. Please contact the office for an appointment if you haven't already signed up.

Have a lovely weekend everyone and enjoy the sunshine.

Abby Symons, (proud and delighted to be the Headteacher of Corsham Regis)

Please keep collecting clear, 2L plastic bottles for our greenhouse- we have had so many donations but still need a few more- thank you very much!

Thursday 17th June mufti day and FoR disco

Tuesday 20th July mufti day

Please bring £1 on mufti days to support FoR

Attendance for the week before half term:

Jade 100%

Opal 98.2%

Onyx 97.7%

Garnet 96%

Crystal 91.2%

Amethyst 90.4%

Workers of the Week...

Ava in Onyx Class, she has produced some fantastic work this week and is making a real effort to improve her handwriting and presentation.

Malak in Opal class, for her super introduction to her report and for working really hard with her spellings this week.

Keely in Crystal Class for using Raj Resilience in her maths learning.

Huxley in Jade Class, he was able to find 1 more and 1 less than a number to 10!

Grace in Garnet Class for her beautiful printed artwork.

William in Amethyst Class for his incredibly imaginative writing

INSET DAY FRIDAY 18th JUNE-SCHOOL CLOSED TO CHILDREN
