

## Friday 25<sup>th</sup> June

This week some of the classes were taught by a specialist music teacher. The amazing singing that I could hear was inspiring. They were exploring music through question and response and looked at how songs are built through the layering of different sounds. Thank you to Mrs Duffield for organising this.

**Thank you for attending parents evenings last week**- it was lovely to be able to have face to face meetings safely, outside and share your child's/ children's achievements and progress with you. During the sessions parents were invited to complete questionnaires, just one of the ways that we seek to improve the provision that we provide for the children at Regis – **thank you!**

78 parents completed the survey

**97%** of parents agreed or strongly agreed **that their child is happy at school.**

**100%** agreed or strongly agreed that **their child makes good progress at this school**

**100%** agreed or strongly agreed that **their child is well taught at this school**

**100%** agreed or strongly agreed that that **school makes sure that its pupils are well behaved**

**100%** agreed or strongly agreed that **they would recommend this school to other parents**

**99%** agreed or strongly agreed that **the school deals effectively with bullying**

**87%** agreed or strongly agreed that their child is set the appropriate amount of homework for their age. This was the lowest percentage in the survey and an area that the senior leadership team will be looking into in September.

Have a lovely weekend everyone- Mrs Abby Symons Headteacher
