

Friday 5th November

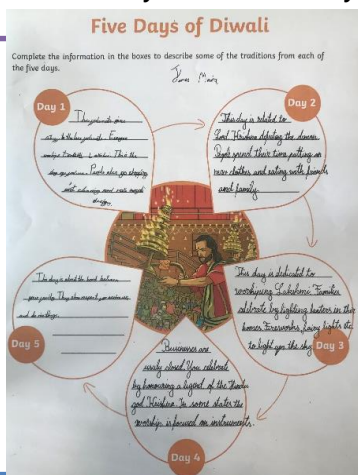

Welcome back to Term 2...The children have returned to school ready and excited for their new Science term. It was wonderful on Tuesday to see Fox and Dickens classes in their many costumes for their Wow days. There were boat mechanics, pirates, superheroes and even a ships cat! Throughout the day the children were baking, building shelters, surviving ship wrecks and hurricanes, following treasure maps and much more. What a wonderful, inspiring way to start their science topic all about materials.

Also this week, children have been learning and celebrating Diwali, the Hindu festival of light and have been creating some fantastic cross-curricular work.

The week ends with Crazy hat and hair day...what a wonderful effort everyone made to raise funds for Friends of Regis who help support the school with playground equipment, resources and special events to enhance our children's experiences at Corsham Regis- thank you!

Have a lovely weekend everyone, have fun and be safe if you are going to a firework display!

LORIC CHAMPIONS

This week's champions are:

Alana from Turner Class

Tyler F from Mason Class

Mack from Millward Class

Ellison from Brunel Class

Jaxon from Dickens Class
