

Friday 4th February 2022

Dear Parents and Carers,

This week Regis has seen such wonderful learning right across the school, with the children growing their knowledge of artists and music from their decades. It is such a pleasure to witness first-hand the 'buzz' of learning and thirst for knowledge.

Next week is Mental Health Awareness week and Schools Football Week along with Internet Safety Day on the 8th. All are linked as sport plays a vital part in keeping not just our bodies healthy but our minds too and we all recognise how important it is to educate young people about being safe on the internet for their wellbeing. Year 6 are off to the Fashion Museum in Bath on the 11th to see for themselves what the fashion was like in the 60s, an exciting opportunity for them all.

I think we all need to build up our energy for next week- it is going to be a busy one! Have a lovely weekend and thank you for your continuing support. Abby Symons

SPORT NEWS

I had the great pleasure of taking 8, Year 6 children to the Cluster Swimming Gala at the Springfield Centre yesterday. They competed against 5 other local schools and were absolutely fantastic.

I am incredibly proud that once again we were awarded the fair play trophy to recognise our positive attitude, outstanding sportsmanship and overall enjoyment. Not only that, we came a very respectable third place with wins in the girl's individual freestyle and breast stroke, girl's medley relay and mixed medley relay!

Congratulations to all the team... Lilly, Rhian, Anna, Kyra, James, Layton, Owen and Ashlee.

We have raised
£91.40 for the NSPCC! (thank you
kyra for counting the money)
