

Friday 11th March 2022

Dear Parents/Carers,

Thank you to everyone who donated and visited our bookshop last Friday...we raised an incredible £92, which will go a long way towards purchasing an e-book library for everyone to enjoy at home and at school.

We were delighted to welcome parents to our first indoor face-to face parent's evening in quite some time. Parental engagement is really important and we hope you found the experience beneficial in helping us with your child's learning journey. If you have any comments about the evening please don't hesitate to contact us through the usual channels.

We are always looking for ways to improve our communication with you and this week you will have received an invitation to download an APP to access Schoolcomms, this is a system used by many schools including The Corsham School and will enable you to send and receive messages and pay for school activities online, helping us to become cashless in the future. As with all new systems, we anticipate some teething problems, please be patient and work with us so that we can get the system working smoothly as soon as possible.

Next week, Year 6 are doing their mock SATs, they have been working incredibly hard and we wish them luck for the week ahead.

Wishing you all a lovely weekend- Abby Symons

Tag Rugby was fun, everyone participated and used their
teamwork skills. We scored a few ^{goals} and ended up winning
the fair-play award, because everyone passed and were fair.
