

Friday 18th March 2022

This week Regis have taken part in National Science week, special thanks to Mrs Tremellen, our Science leader, who organised events for the whole school and inspired us all to embrace the wonderful world of Science.

During the week children have been completing challenges linking reading with science and earning stickers for their individual Regis Reading Challenge Passports. Activities have included: designing word searches, making 'Fascinating Fact' bookmarks, scavenger hunts at home, being a reading buddy and making PowerPoint presentations.

Mason and Millward Class enjoyed a whole day Science workshop from GoCuriosity- they learnt about different scientists throughout history and had a great time getting 'hands on' with some investigations!

Enjoy the sunshine (hopefully) and have a lovely weekend.
Abby Symons

Children who have received 10 stickers and a LORIC badge are:

Kacie, Isabel, Jaxon, Zac and Aiden

CONGRATULATIONS a fabulous achievement!

Clubs next week:

Tuesday: KS2 Girls Bath rugby/ KS1 up and under sports
