

Corsham Regis Primary Academy

USE YOUR SKILLS TO CONTRIBUTE TO YOUR COMMUNITY

Corsham Regis Primary Academy is a “**Good**” primary school and proud to be in partnership with The Corsham School as part of The Corsham School Academy Group. Both schools in the trust work together to support children and young people to achieve their potential in a nurturing and aspirational environment.

Regis’ new and reinvigorated leadership team upholds the highest standards for teaching and learning and are driven by a clear ambition for their pupils; looking beyond the data and celebrating the significant positive impact the academy has on each and every one of its students.

As with all schools, we have our own Local Governing Body which focuses on the provision for our primary school children, with local governors who could also have the opportunity to be appointed to the board of the Academy Trust too (which oversees both schools) if they so wish.

We are currently looking for 3 new co-opted governors* and 1 new parent governor** to join our Local Governing Body. We are seeking interest in particular from anyone with:

- Financial planning and management experience
- Contracting services and legal / human resources knowledge
- Risk management, including health and safety

You may just be passionate about children and education, willing to learn and IT literate in this modern time requiring IT methods of going about business – in which case **please get in contact for a non-binding chat.**

Governors have a crucially important role at the academy, overseeing how Regis is run:

- They act as ‘critical friend’ to the leadership team and provide advice and challenge.
- They make sure that government legislation is applied in all matters.
- They hold the headteacher to account for the outcomes of the school and its pupils.
- They help ensure the school spends its money efficiently and wisely.

For further information see <http://www.nga.org.uk/Be-a-Governor.aspx>

Governors are elected or appointed for a four-year term. The local governing body meets 6 times a year. If you are interested or know someone who might be interested in the first instance, please contact either of the people below:

Chris Denton (Chair of Governors): chairofgovs@corshamregis.wilts.sch.uk

Michelle Hocking (Clerk to the Governors): clerk@corshamregis.wilts.sch.uk

AND if being a governor sounds too much but you would like to be involved in our community school, please talk to us about volunteering – we have lots of ideas of how you can help – you may have ideas too!

*Co-opted governors are invited to join the Local Governing Body by current governors or the board of the Group.

** Parent governors are elected to the Local Governing Body by parents if there are more candidates than vacant posts

Together Everyone Achieves More
