Corsham Football Cluster Event

On Thursday I had the great pleasure of taking 10 children from year 6 to play football at The Corsham School- the team played brilliantly and demonstrated outstanding teamwork. Congratulations to them all- Isobel, Ella-May, Nelson, Jobe, Alfie, Summer, Imogen, Harry, Kyrell and Aiden.

We are continuing our partnership with Bath Rugby for another year which will include another opportunity to go to the Rec to watch a Bath game- very exciting!

PRIMARY MATHS CHALLENGE

Today I took 6 talented mathematicians to a special maths event held at The Corsham School. The team which included Isobel, Jobe, Kiruthik, William, Grace and Jonah worked together to complete a number of maths challenges, which included some very tricky algebra and mind boggling problem solving puzzles. They were excellent, worked hard, demonstrated resilience and represented Regis so very well, coming 1st in the first round out of 10 other groups! They should all be very proud of themselves.
