

NEWS

Friday 4th November 2022

A new term always starts with a new exciting topic for all the classes and this term the focus is on **SCIENCE**. To find out more about what each class is focusing on please go to our website and visit the class pages. Knowledge organisers that are produced every term will be posted soon, so you can share your child's learning at home.

A massive **'Thank you'** to the Friends of Regis and staff who helped to run another highly successful **Regis Disco**. Everyone had a great time and it helped to raise some funds that benefit all the children at Regis.

Wishing you all a wonderful weekend and if you are heading to a firework display, stay safe and have a wonderful time.

Abby Symons, Headteacher

Please support us in encouraging the children to make healthy food choices and provide a healthy snack (piece of fruit etc.) Monday-Thursdays and a treat on Fridays (small chocolate bar, chocolate biscuit etc.)

Thank you!
