

Friday 7th October 2022

This week the children in Mason class enjoyed their first Wow Day of the academic year. They completed exciting activities including mummifying apples, making papyrus and drawing the inside of a tomb all of which helped the children to fully immerse themselves in their Egyptian topic. Dickens Class went on a trip to visit SS Great Britain to learn more about the life of Brunel and thoroughly enjoyed their time.

The school was treated to a professional storyteller from Story Town Corsham on Tuesday. She captivated the entire audience (including the teachers) with her impressive story telling skills which included the use of props to create a visual and auditory display. The children in Millward class will also be working with Marnie from Storytown Corsham to enhance their writing skills related to their topic on the Ancient Greeks over the next few weeks.

We look forward to sharing your child's learning with you during our Parents evenings next week- please remember to sign up or contact the office for an appointment.

Wishing you all a wonderful weekend- Abby Symons, Headteacher

WINNERS OF S.A.M this week: Turner! (for the third week running!)

Home learning from Noah and Mia-Rose in Millward Class, both awarded with headteacher stickers for their outstanding learning- Well done!

The image shows a student's handwritten notes and drawings. On the left, a page titled 'Ares' describes him as the Greek god of war, courage, and cool color, with a serpent as his sacred animal. It also mentions his symbols (swords, spear, shield, helmet) and that he is the son of Zeus and Hera. Next to the text is a drawing of Ares, a yellow-skinned figure with a sword. To the right is a handwritten note titled 'People!' discussing diversity and the importance of not judging people by their appearance. At the bottom right, a 'Head Teacher's Award' sticker is placed on a note that says 'This is really lovely. Mia and Noah have thought about our assembly. *'
