

Friday 15th September 2022

This week in school, the children from Fox and Dickens Class 2021-2022 went on their long awaited trip to the Cotswold Wildlife Park. They were so excited and the day didn't disappoint. They saw so many different animals and had some close encounters too; definitely an experience that they won't forget.

Year 3 started their recorder lessons and have already learnt two notes, whilst Year 6 in Turner Class have tried their very best during their first mock test week.

With so much going on in school we have still found the time to be reflective with the children about the passing of her Majesty Queen Elizabeth II ensuring that they have had time to talk about their feelings and ask questions.

We will not be in school on Monday as it has been declared a National Bank holiday. I along with the staff at Regis, wish you and your families a day of reflection and family time and we will welcome the children back to school on Tuesday.

Thank you for your continued support

Abby Symons, Headteacher
