Headteacher Mrs A Symons

Friday 25th November 2022

It has been another exciting week at Regis with much to celebrate. Turner Class are continuing to make excellent progress in their weekly swimming lessons and are gaining in confidence every week. Millward Class are now playing a tune on their brass instruments and have really benefited from the specialist music tuition that they have been receiving from The Corsham Wind Band.

The children in Fox class have been testing out their Lego boat designs in all weathers this week as they continue to learn about floating and sinking, linked to the book Mr Gumpy and Dickens Class now know all about the properties of different materials and their uses.

Also this week, 29 children from Years 3, 4 and 5 took part in a dance workshop at The Corsham School, they worked with GCSE students and dazzled parents and carers with a fabulous performance, sharing what they had learnt.

Next week, we are excited to announce that Nick Mason will be joining us on Monday afternoon for a whole school assembly and the children in Dickens Class are being taught the Ukulele by two specialist teachers from Heywood Prep school. Have a lovely weekend- Abby Symons

£106 raised- thank you!
