

Friday 2nd December

- Nick Mason visited Corsham Regis on Monday and met with the children from Mason class last year, followed by a whole school assembly where all the children had the opportunity to ask him questions about his life in Corsham and beyond- truly inspirational and definitely another Magical Moment for the children (and adults) at Regis.
- The Nativity rehearsals are well underway- there is nothing more magical than children dressed as nativity characters and the bubble of Christmas excitement growing. If you have a child in Fox or Dickens Class – you are in for a real treat.
- Turner Class had an amazing WOW morning building and programming robots in their STEM Lego robotics day- what an exciting opportunity!
- Dicken’s Class took part in a ukulele workshop on Monday provided by The Bath School of Ukulele. The children had a go at playing the ukulele and we were donated a book called ‘Cuckoolele’, which can be purchased from Corsham Bookshop at a special event on the 2nd of December, 5-6pm.
- Santa’s little elves decorated the whole school ready for the 1st of December- the look on the children’s faces was wonderful as they entered school on Friday 1st ready for the countdown.

Nativity afternoon performance Wednesday 7th December

Nativity evening performance Thursday 8th December

Thursday 8th December- Christmas jumper day and Christmas dinner day

(ordered by 4/12/22)
