## Friday 6<sup>th</sup> January 2023

Welcome to the spring term, we hope that all our families had a restful holiday and may I take this opportunity to wish you all a very Happy New Year!

We started the term with an assembly which encouraged the children to think about resolutions and setting goals for themselves. They were very clear about the steps that they would take to try and achieve them and impressed us with their understanding that hard work and practice often equals rewards.

This term is all about the Creative Arts with the children in each class studying a different artist, where they originated from and having opportunities to work with different materials in art to recreate their style. We plan to hold a 'Regis gallery' towards the end of the term where parents and carers can come and see the fabulous learning that has taken place.

Bath Rugby started their work with us this week. Dickens and Mason class having lessons during their PE time and many other children in Yr4-6 enjoying the afterschool club. If your child didn't get a place in the club, we do have a waiting list and children will be invited to attend if and when places become available.

Wishing you all a lovely weekend.
