## Mental Health Corner Self-care...

For many parents and carers, finding time for yourself can be a challenge as you juggle family and relationships with your home and work life. With the practicalities of day-to-day life, it can be easy to forget to look after your own wellbeing needs which can lead to feelings of stress or being overwhelmed. Factoring in regular time or activities for yourself will hopefully allow you to enjoy the good moments in life more and to find strength during difficult times.

**HUGE thanks to Mrs Doe,  
our Maths Leader and  
Turner Class for  
organising the event.**
