Headteacher Mrs A Symons

Friday 8th September

WELCOME BACK!

It has been fantastic this week welcoming everyone back to school and a special mention to our new FS2 children who have been so very brave coming to school for the first time. They are settling in brilliantly and quickly learning our school routines. I was pleased to see how smart all the children look returning to school in their uniforms- thank you!

The children across the school have been completing activities based around our wellbeing theme of 'Earth' this week. Music and art are the main drivers for the week, enabling the children to get used to their new routines after the summer break. This year, our music inspirations are Aaran Copland and his music 'Rodeo' for years 2-6 and 'No place like' by Kerry Andrews for EYFS and Year 1. On Wednesday for the first time, all the children came together in the hall for a whole school art assembly where they all sketched images from a David Attenborough film clip- inspirational!

Children have been using Indian inks and salt to create wonderful patterns to depict the Earth and all the children are creating animals to work towards our big school collaborative project which will be displayed in the main corridor of the school.

Today, you received 'dates for diaries' and I am sure you will agree there is so much going on in school to enhance your child's learning and enjoyment. In addition to those dates we are continuing with Chance to shine cricket as this was so successful last year, and Sonia from the Corsham Windband is coming into school once again to teach the children. We are starting our new 'Stay and Share' sessions this year where you will have the opportunity to come into school to share in your child's learning and hope that these will be not only informative but enjoyable for everyone. Class assemblies will also be taking place after half term and once again you will be invited to join us for these events.

We will continue to keep you informed about everything going on in school through Schoolcomms so please make sure that we have an up to date email for you to receive important information.

Finally, remember to check out our Facebook page to see photos and information and share in your child's learning journey.

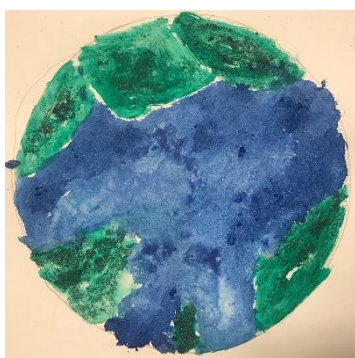

Have a lovely weekend- Mrs Abby Symons, Headteacher

Our first LORIC CHAMPIONS of the new school year:

Rhea from Turner for **organisation**, Kacie from Millward for **initiative**, Thea from Mason for **leadership**, Florence from Dickens for **leadership** and Ava from Fox for **communication**

Wednesday 13th Swimming starts for Turner Class

Mental Health Corner

Take what they say seriously...

Listening to and valuing what your children say makes them feel valued. Consider how to help them work through their emotions in constructive ways.

Anna Freud Centre's guide on ways to support children and young people has more on this.
