

## Friday 15<sup>th</sup> September

This week our children continue to amaze us with their resilience and positive attitudes to learning. Our new starters in Fox Class enjoyed staying for lunch and are busy making friends. Whilst our oldest children successfully completed their first round of tests this week and are already looking at how they can improve, we are so proud of each and every one of them. I have received many enquiries for places at Regis for September 2024 and have already started showing parents around the school! Our popularity has grown so much that we now have waiting lists for some of our classes, which is wonderful.

The children in Millward Class were asked what makes Regis a happy place, the responses are on page 2...

Wishing you all a wonderful weekend -Abby Symons

### Mental Health Corner Make Time for Play...

One of the best things you can do for your child's mental health is to make sure they get time to play. They need time to express their creativity, use their imaginations, and focus on fun things. As long as they are getting all of the necessary tasks done, let them have some free time to have a bit of fun.

**Remember at Regis we have Treat Friday** when the children are able to bring a chocolate treat for their snack. A Freddo chocolate bar is the ideal size for this treat. Monday to Thursday we encourage healthy snacks. Thank you.
