

Friday 10th November 2023

Leadership matters at Regis and this year as part of our exciting school improvement plans we are introducing pupil ambassadors.

Our subject ambassadors will:

- work closely with the leader of a specific subject to ensure that all children at Regis have the opportunity to achieve in all subjects.
- work with the staff and the children across the school supporting, helping and leading others.
- help develop positive relationships between the staff and the children.

Not only does this promote the subject but actively promotes citizenship, communication, diversity, teamwork and leadership qualities.

Our maths pupil ambassadors are: Nelson, James, Tyler P, Ava and Mack-congratulations to this talented bunch.

Rainbow Christmas Hampers

Thank you very much to School Council for running our poppy shop this year.

Mental Health Corner

We know parenting isn't always easy

Although it's often amazing and rewarding to watch your children grow up, and to help them learn to be independent, it can also be really hard work. It can feel especially hard if your child's mood and behaviour seem different and you're not sure why, or what you can do to help. But you are not alone.
