## Friday 1<sup>st</sup> December 2023

The build up to Christmas has begun with the children arriving at school this morning to be greeted by a sparkling school with trees in every classroom and decorations throughout the school as we head towards Christmas. During the final two weeks of school the children learn all about the meaning of Christmas and share their beliefs and wishes at this special time of year.

For our Christmas tree entry this year in St Bartholomew's Church, the children have written their Christmas memories on recycled Christmas cards and paper and it looks fantastic. Do try and go along to the festival and look at all the wonderful trees on display.

The children in Fox and Dickens are busy rehearsing for this year's nativity- 'The Twinkly Nativity' and are very excited about performing to friends and family.

Happy Advent and have a wonderful weekend- Abby Symons

## Mental Health Corner

Take what they say seriously...

Listening to and valuing what your children say makes them feel valued. Consider how to help them work through their emotions in constructive ways.

Anna Freud Centre's guide on ways to support children and young people has more on this.
