**Last Day of term Wednesday 20th
December 3.10pm**

There will be no clubs on the last three days

This week has all been about the **Twinkl Nativity!** The children in Fox and Dickens Class performed amazingly well during their dress rehearsal to the school on Monday and then went on to perform to two full audiences of families and friends. We are so very proud of their resilience and ability to learn lines and remember song words. It was absolutely superb and I want to thank the KS1 team of dedicated staff without whom it most certainly would not be possible.

The children have been beautifully behaved but these two little elves came to school this week and were up to mischief- it most certainly is the **silly season** and I love it!
