

Friday 5th January 2024

Welcome to the spring term, we hope that all our families had a restful holiday and may I take this opportunity to wish you all a very Happy New Year!

We have spent the last two days with a whole school Time themed event. Children in the different classes have been talking about Time and engaging in age related activities all designed to help them tell the time. It was excellent to see so many children proudly wearing watches in support of this event.

This term is all about the **ARTS** with the children in each class studying the work of artists from different decades, where they originated from and having opportunities to work with different textiles to recreate their style.

Last term, we celebrated many children for their homework and are looking forward seeing what is produced this term. Please remember to check the class pages on our website for homework and all important information relating to your child's class. <https://corshamregis.wilts.sch.uk/classes/>

Bath Rugby will be starting their work with us next week. Turner, Millward and Mason classes having lessons during their PE time and many other children enjoying the afterschool club. There are still places available in the club; this is a fabulous opportunity and one not to be missed.

Wishing you all a lovely weekend

Abby Symons, Headteacher
