

**Friday 2nd February 2024**

The week began with a quality assurance review of the school carried out with Challenge Partners, an organisation which is an education charity, led by practitioners, through which schools collaborate to improve each other and the education system as a whole, so all children benefit. We worked with two senior leaders from schools in Leicester and Aylesbury and a lead reviewer who was an OFSTED inspector in a previous role.

We are delighted at how the review went and will look forward to sharing our report with you early next term. As always, the children are our greatest ambassadors and certainly impressed our visitors with their enthusiasm for learning and pride in their school.

This week also saw the first of many class assemblies in school, an event where each class share their learning and parents and carers can come and watch. It was fantastic to see so many visitors in school and hope that you all enjoyed it! These will take place for each class so please do look out for these in the coming weeks.

Have a lovely weekend everyone- Abby Symons, Headteacher
