## Welcome back to spring term 4!

We have certainly hit the ground running with excellent learning going on across the school as children get into their history and geography topics for the term. Please remember to visit our Corsham Regis website to find out about homework and chatter topics for the term and the class overview of learning so that you can continue to support your children at home.

This week Turner class went out and about into Corsham to learn all about the history of the local area. Huge thanks to Mr. Carossi for sharing his wealth of knowledge with us and for all our adult helpers without whom the trip wouldn't have been possible.

Looking forward to many more adventures this term.
