Assemblies are now referred to as **Collective Worship!**

We have slightly changed the structure to our assemblies. The week begins with a whole school 'Collective Worship' where often a story is told with a theme. So far this term, we have learnt about compassion, courage and forgiveness. The children have been involved through drama and role play. A display changes weekly in the main hall to remind the children about the theme which is then discussed further in class on a Thursday.

Singing is now on a Tuesday and on a Wednesday Local, National and international themes are covered which this term includes National coding week and Roald Dahl Story Day.

Yesterday, we celebrated European Day of languages and several very brave children shared their languages with the school, from further afield than Europe! We discovered that we have 12 different languages spoken at Corsham Regis...English, German, French, Spanish, Portuguese, Polish, Tamil, Hindi, Ukrainian, Krio, sign language and Arabic... for a small school we certainly are international!

Wishing you all a wonderful weekend.

Thank you for your continued support

Mental Health Corner

Less screens, more faces and books...

We don't fully understand the impact of social media on our mental health but using phones and laptops can impact on our sleep, which is important to our mental health. We're also

more likely to listen to one another if we're not distracted by technology. Try swapping out ten minutes of screen time for 10 minutes reading or chatting.
