This week our children continue to amaze us with their resilience and positive attitudes to learning. Our new starters in Fox Class enjoyed staying for lunch and are busy making friends. We are impressed by how well they are learning the school routines and following the **Golden Rules**:

We are gentle,

We are kind and helpful,

We listen,

We look after property,

We are honest,

We work hard

The rest of the school have started their history topics this term and are already demonstrating their knowledge with enthusiasm. I have received many enquiries for places at Regis for September 2026 and have been showing parents around the school. They were so impressed by the calm atmosphere and how polite and engaged the children are- well done Regis!
