Headteacher Mrs A Symons

Friday 26th September 2025

Yesterday, we celebrated European Day of languages and several very brave children shared their languages with the school, from further afield than Europe! We discovered that we have **15 different languages spoken at Corsham Regis** ... for a small school we certainly are international!

Wishing you all a wonderful weekend.

Thank you for your continued support

Abby Symons

**The more children
that eat a school
lunch on 2nd Oct the
more funding we can
access- thank you!**

On Thursday 2nd of October all schools across the country submit **census data** to the Department for Education.

Census data is data which directly impacts the funding allocated to schools and, in the current financial climate, it is a really important day for the school.

One area of funding is through the Universal Infant Free School Meals (UIFSM). This is the funding given to the school to provide free school meals for all pupils in FS2, Year 1 and 2. To maximize funding we need to maximize uptake on census day. We are therefore planning a Pizza Party lunch on Thursday 2nd of October.

To help boost numbers we will pre-book pizza for all children in FS2, Year 1 and 2. If your child usually brings a packed lunch, please feel free to send them in with their packed lunches as normal to have alongside the pizza. You can also log on and make a selection from the menu as usual. Thank you

WANTED Boys and girls winter coats

As the weather changes and gets colder, children need warm coats to wear. Our pre-loved uniform is very well supported and used. **If you have any girls or boys winter coats** that your child has grown out of, please donate to our rail and know that they will be going to help keep someone warm this winter- thank you!
