

## Friday 17th October 2025

This week, I have had the pleasure of welcoming and showing around many more families to our school. It is always lovely to hear feedback from fresh eyes, with many visitors commenting on how well-behaved our children are and the calm, friendly atmosphere that shines throughout the school. A huge well done to everyone for continuing to make such a positive impression. Also this week, our pupils have enjoyed some fantastic hands-on learning experiences! Dickens Class visited the Almshouses in Corsham to support their topic, *"What were homes like in the past?"* They explored how people lived long ago and saw history come to life. Meanwhile, Year 4 and 5 concluded their week with a spectacular Viking Wow Day, where they designed traditional clothing and created clay pots with the help of our expert potter, Mrs Gilks.

Wishing all our families a lovely weekend.

This week, our Year 6 children have been away on their residential, for many, their first time spending time away from home without their parents. I had the pleasure of visiting them on Thursday evening and was incredibly proud to see how well they were supporting one another and fully embracing each activity. It was wonderful to witness their growing independence, teamwork, and enthusiasm. I have no doubt they will return with plenty of stories to share and while they may be a little tired, they will certainly be very happy and full of wonderful memories. With thanks to Mrs Doe and Mrs Smith for supporting them on this adventure.
