

## Friday 5<sup>th</sup> December 2025

With Christmas just around the corner, the festive spirit has certainly arrived in school.

On Friday, our busy elves worked their magic, and the children were thrilled to return to classrooms beautifully decorated with Christmas trees and seasonal displays—marking the beginning of advent and the exciting lead-up to the big day.

KS1 are deep into their nativity rehearsals, and both children and staff are putting in tremendous effort as they practise their songs and acting. The rest of the school is feeling just as festive, with carols drifting through the corridors as everyone prepares for our Christmas service on Wednesday 17<sup>th</sup> December 2pm, St Bartholomews Church- all welcome!

Wishing you all a warm, safe, and wonderful weekend

Abby Symons, Headteacher
