

Friday 20th March 2026

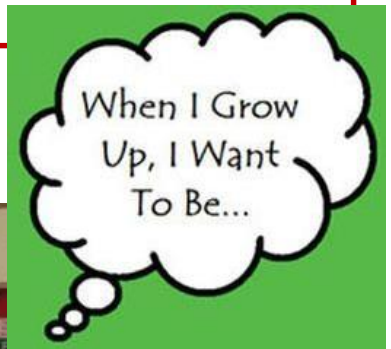

Careers Week at Regis has been truly magnificent. We are incredibly grateful to the parents, relatives, and members of our community who generously gave their time to share their passion for their professions with our children.

We must make a special mention to our Change Makers, Mrs Doe and Mrs Evans for all their hard work in helping make this week happen.

Throughout the week, the children have been inspired by a wide range of guest speakers, including an AI engineer, a neonatal nurse, a hospital porter, a photographer, and a scientific researcher—just to name a few. Each visitor offered valuable insights, helping to broaden the children's understanding of the many exciting career paths available to them.

The children have been fully engaged in every aspect of the experience. They designed their own lanyard ID badges, completed a careers booklet, created themselves as LEGO figures, and have even come to school dressed as their future profession. The enthusiasm and creativity on display have been wonderful to see.

This week has not only been enjoyable but truly impactful. It has sparked curiosity, inspired ambition, and encouraged the children to start thinking about their futures in a meaningful way. We hope the experiences and conversations from this week will stay with them for years to come and help shape their aspirations.

On Tuesday 17th March, **Mason Class** visited Corsham Court to find out about the history of the Court and to explore land use. We learnt all about when the Court was built, how it has changed over the centuries and the families and people such as Capability Brown who have been responsible for these changes. We explored the gardens and found out about some of the trees planted by Capability Brown as well as the ha-ha to keep the sheep off the lawns. We also followed our maps and used our compasses to locate north, south, east and west. In the afternoon, we created our own magical maps and included symbols and ideas we found when exploring digital and OS maps.

Karen Duffield Mason Class Teacher

LORIC CHAMPIONS This week:

Kyle from Turner for **communication**, **Freddie** from Millward for **resilience**, **Chris** from Mason for **initiative**, **Bonnie** from Dickens for **communication** and **Meredith** from Fox for **communication**

Badges this week:

Millward Class Wow Day...

Wednesday 18th March WOW Day

Corsham and Bath Through the Ages

We learned about the Geography and History of Corsham on our walk.

We spotted human geography features including Georgian buildings.

We answered a quiz to test our knowledge of the History

We learned the rules for croquet and practised accuracy and teamwork.

questions in a quiz of Corsham.

In the afternoon we went for a tour on Mr G's Bath Bus Tour and learnt more about Georgian Bath. Then we finished our Brusho backed Royal Crescent under the direction of Mrs Gilks.

Last day of term Friday 27th March- we look forward to welcoming the children back on Monday 13th April

Whole school 92.84%

9/3-13/3 (Whole school Target 96%)

Fox-92.6 Millward-93.5% Dickens- 88.5%, Turner- 97%, Mason- 92.6%
