

HOMeWORK

This term you could:

Please check with an adult first: find and draw 5 things that use electricity.

Design a superhero whose job it is to save electricity.

Write, draw or tell a story about a day without electricity.

Find out 5 tips for electrical safety. Design a poster to show how to be safe around electricity.

Create a word search linked to electricity.

Design a lighthouse. Can you give it a name and decide where to build it?

Find out about a famous lighthouse and write down at least 3 facts.
