

Friday 11th September

This week our children continue to amaze us with their resilience and positive attitudes to learning. Our new starters in Fox Class enjoyed staying for lunch and are busy making friends. We are impressed by how well they are learning the school routines and following the **Golden Rules**:

We are gentle,

We are kind and helpful,

We listen,

We look after property,

We are honest,

We work hard

The rest of the school have started their history and DT topics this term and are already demonstrating their knowledge with enthusiasm. I have received many enquiries for places at Regis for September 2027 and am starting to show parents around the school.

Clubs started this week and it is always wonderful to see children getting active and learning new skills, this term the focus is on Tag Rugby.

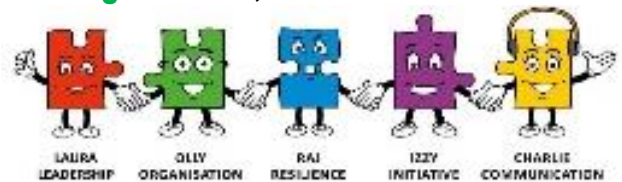

Wishing you all a lovely weekend
