Headteacher Mrs A Symons

Friday 25th September 2026

As we come to the end of another action-packed week at Regis, there is so much to celebrate. Our Fox children continue to settle beautifully into school life and are thoroughly enjoying their topic, *What Makes Me Special?* Meanwhile, our older pupils are immersing themselves in their history learning and are eagerly anticipating the exciting WOW Days planned for the coming weeks.

This week also provided several valuable opportunities to work in partnership with families, including a phonics workshop for our KS1 parents, a violin information meeting for Year 4 families, and a PGL information meeting for Year 6. Thank you to everyone who attended. By working together, we are able to provide the very best support for the children in our care and enrich their educational experiences.

Wishing all of our families a wonderful and relaxing weekend. We look forward to welcoming everyone back on Monday for another exciting week of learning at Regis.

Burgers

PIZZA PARTY

**The more children
that eat a school
lunch on 1st Oct the
more funding we can
access- thank you!**

On Thursday 1st of October all schools across the country submit **census data** to the Department for Education.

Census data is data which directly impacts the funding allocated to schools and, in the current financial climate, it is a really important day for the school.

One area of funding is through the Universal Infant Free School Meals (UIFSM). This is the funding given to the school to provide free school meals for all pupils in FS2, Year 1 and 2. To maximize funding we need to maximize uptake on census day. We are therefore planning a Pizza Party lunch on Thursday 1st of October.

To help boost numbers we will pre-book meals for all children in FS2, Year 1 and 2. If your child usually brings a packed lunch, please feel free to send them in with their packed lunches as normal to have alongside the cooked option. You can also log on and make a selection from the menu as usual. Thank you

WANTED Boys and girls winter coats

Before the weather changes and gets colder, children need warm coats to wear. Our pre-loved uniform is very well supported and used. **If you have any girls or boys winter coats** that your child has grown out of, please donate to our rail and know that they will be going to help keep someone warm this winter- thank you!
