HOMEWORK

This term you could:

Keep a simple diary for one day and record:

- What light sources you used in the daytime.
- What light sources you used in the evening.

Illustrate your diary.

Research the scientist Isaac Newton and write a fact file on him.

Write 10 questions for a quiz on light.

Find out which animals are nocturnal and why?

Can you make a model of an eye?

Write a poem about rainbows.

Make and design your own shadow puppet theatre.

Go on a light hunt:

Can you find these at home?

- A light source
- Something shiny
- Something see-through
- Something that makes a shadow

Draw or write what you found.
